## MASONS' COMPANY ANNUAL EXHIBITION OF STONEMASONRY AND STONE CARVING 2020

16-22 November 2020

**\*\*SAVE THE DATE\*\***

Looking for that special or unusual Christmas Present this Year – then look no further than this Exhibition, where all proceeds will go the Worshipful Company's Craft Fund Charity.

Building on the successes of last October's First Exhibition of Stonemasonry and Stone Carving, the Fundraising Committee is delighted to announce the intention of turning this Exhibition into an Annual Event. This year's Exhibition will be bigger than last year and run for the whole of week commencing Monday 16 November 2020. It is expected that twenty five Stone Carvers will be participating.

The Exhibition is being curated by Karina Phillips, Gallery Different, 14 Percy St, Fitzrovia, London W1T 1DR, where the physical Exhibition will be held.

All submitted artwork will be included in an online Exhibition with certain Works selected for inclusion in the physical Exhibition, thus ensuring there is a good range of quality work. A Catalogue will be produced

(in hard and soft copy formats) detailing every Item of Work in the Exhibition with everything available for purchase online.

In common with the Worshipful Company, Gallery Different takes the Health and Safety of its Clients and their Guests very seriously. The Gallery is following the Government's Guidance in order to create a safe environment to enjoy the physical Exhibition. Currently, the Gallery operates an Appointment Booking system thus restricting the number of Clients on the premises at any given point in time.
